

MY1300 PRIVACY POLICY

MY1300 is committed to protecting your privacy. This Policy of privacy applies to the MY1300 public website and governs data collection and usage. By using the MY1300 public website, you consent to the data practices described in this policy.

Collection of your Personal Information

MY1300 collects personally identifiable information, such as your E-mail Address, Name, Business Name and/or State Location. MY1300 also collects anonymous demographic information, which is not unique to you, such as your postcode and product preferences.

There is also information about your computer hardware and software that is automatically collected by MY1300. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used by MY1300 for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the MY1300 website.

MY1300 encourages you to review the privacy policies of websites you choose to link to from MY1300 so that you can understand how those websites collect, use and share your information. MY1300 is not responsible for the privacy policy or other content on websites outside of MY1300 and the MY1300 family of websites.

Use of your Personal Information

MY1300 collects and uses your personal information to operate the MY1300 website and deliver the services you have requested. MY1300 also uses your personally identifiable information to inform you of other products or services available from MY1300. MY1300 may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

MY1300 does not sell, rent or lease its customer lists to third parties.

MY1300 keeps track of the websites and pages our customers visit within the MY1300 website, in order to determine what MY1300 services are the most popular. This data is used to deliver customised content and advertising to customers whose behaviour indicates that they are interested in a particular subject area.

MY1300 websites will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on MY1300 or the site; (b) protect and defend the rights or property of MY1300; and, (c) act under exigent circumstances to protect the personal safety of users of MY1300, or the public.

Use of Cookies

The MY1300 website uses "cookies" to help you personalise your online experience. A cookie is a text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the web server that you have returned to a specific page. For example, if you register with the MY1300 site or services, a cookie helps MY1300 to recall your specific information on subsequent visits.

You have the ability to accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the MY1300 services or websites you visit.

Security of your Personal Information

MY1300 secures your personal information from unauthorised access, use or disclosure. MY1300 secures the personally identifiable information you provide on computer servers in a controlled, secure environment, protected from unauthorised access, use or disclosure.

Changes to this Policy

MY1300 will occasionally update this Policy of Privacy to reflect company and customer feedback. MY1300 encourages you to periodically review this Policy to be informed of how MY1300 is protecting your information.
